## Important information

### Cleaning of Vehicles

- All vehicles must be clean inside when returned. This includes kitchen, bathroom and living areas. A charge of \$50 per hour for cleaning will be applied for those vehicles returned in an unsatisfactory state. Vehicle holding tanks requiring dumping by the supplier's staff will result in a \$35 service charge. Outside washing is not required, unless the check-in procedure cannot be performed due to dirt on the vehicle.
- Smoking is not allowed in any of the vehicles. The supplier reserves the right to charge an additional cleaning fee of \$250.00 if a vehicle returns smelling of smoke.
- A valid driver's license is mandatory. Drivers must be 25 years or older, no maximum age limit.

### Pick Up

- Vehicles can be collected at the rental stations from Monday to Saturday between 08:30 AM and 3:00 PM local time (on Sundays at selected stations).

### Drop Off

- 08:30 AM to 11:30 AM, inspection ready. Sufficient time should be allowed for packing suitcases and cleaning vehicles. Late returns are not allowed without permission. If the vehicle is returned late without permission, overtime hours are charged up to maximum of 4 times the daily retail rate.
- If the renter returns the vehicle to any location other than the location indicated on the rental contract, the renter agrees to pay regular rates plus applicable redistribution charge or towing charge.
- Early Return: the supplier will not offer any refunds for rentals returned prior to the arranged drop off date.

### Fuel

- The vehicle has to be returned with a full tank of fuel. If the renter does not refuel, the renter agrees to pay for having the vehicle refueled at a rate of \$3.00 per litre.

### Pets (Dogs only)

- On request only. A charge of \$100.00 per dog will apply.

### Seatbelts

- The number of passengers may not exceed the number of seatbelts while the vehicle is in motion.

### Security Deposit

- A pre-authorization of a major credit card (Visa, MasterCard or American Express) is required while the vehicle is rented. This also applies to rentals which include CDW. Cash rentals are not allowed.
- In cases where the CDR is not purchased, the supplier will block the full amount of the deductible (\$7500) on the customer's credit card.
